If you have any questions or if parts are missing from your FLBC4560, Please call our Customer Service Department at 1-800-233-4717. Do not call or return this product to your local store or distributor.

Installation Instructions:

1. Use saw to cut installed FLBC4500 concrete box to finished floor height after concrete has cured.
2. If low-voltage partition is to be used, cut same amount from the bottom of divider as was removed from the concrete can.
3. Wire receptacle. All wiring to be per applicable National, State & Local Codes.
4. After installation of finished flooring, secure leveling ring assembly to installed FLBC4500 Concrete Can using PVC cement.
5. Option #1: Install Gasket & Blank Cover with (3) supplied #8 x 5/8" long flat head machine screws
Option #2: Install In-Use cover...No screws required. Store Blank Cover with screws and gasket for future re-use
